

Dog Derby Will Be Decided At Joint Meet Here

Outing Club, Local C.ofC, To Talk Over Plans Tonight at 8

Efforts to reach a definite decision on the question of whether or not Truckee will hold its annual Dog Derby this winter will be made at a joint meeting of the Truckee Chamber of Commerce and the Truckee Outing Club at Hilltop Lodge tonight at 8 o'clock.

At the same time new officers for the latter organization will be named, Roy Waters, president, said.

Ed Crandall, owner of the lodge, said that they have received letters from a number of dog team owners, both in the United States and Canada, offering to bring their teams to Truckee providing sufficient interest is created to plan preliminary events in nearby centers.

Operators of Squaw Valley Resort have signified a desire to have dog races sponsored there and it is proposed to contact resort owners on Donner Summit, Reno and Lake Tahoe to determine whether a series of events can be arranged.

All businessmen and others interested in the derby are urged to attend the meeting tonight to express their views and reach some sort of an agreement. A date for the event should be established soon, promotional material prepared and other details started if the races are to be a success, proponents declare.

The races will probably be built around the world championship team and driver, Lloyd Van Sickle, of Truckee, who is anxious to pit his dogs against the world's best in the local races. Van Sickle won last year's races here by a narrow margin.

148 ENROLLED AT NATURE CAMP IN SUGAR BOWL

A total of 148 persons enrolled in the Audubon Nature Camp during the past summer at Sugar Bowl on Donner Summit, according to Floyd Brown, camp director and vice principal of a Los Angeles junior high school. On an occupational breakdown, it is revealed that 83 of these were educators while 15 housewives constituted the second largest group. While 105 of the total were from various points in California, the camp drew people from 19 other states, the District of Columbia and Canada.

The Sugar Bowl was chosen as the camp site because of the many opportunities it offers the nature student. Geologically, it is near the contact of the granites of the Sierra Block and the volcanic flows of the Cascades. The whole story of the uplift that produced the Sierra—the longest and highest mountain range in the United States—can be studied there.

Lodgepole, Jeffrey and silver pines, red firs, hemlock and juniper are about the lodge. Upward of 130 kinds of birds may be seen in the region. Nine kinds of woodpeckers and four kinds of hummingbirds are to be found. The forest is brightened by ferns, fungi, snow plants, and mosses. Above timberline there are rare alpine, such as mimulus, phlox, hulsea and polomonium. Insects and other invertebrates, mammals, amphibians, reptiles and fish of many species are widely distributed from the crest of the divide to the Sacramento Valley and the Nevada desert.

The purpose of this and other similar camps throughout the nation is to better equip teachers, youth leaders and hobbyists to instill appreciation and understanding of the value and need of conservation of soil, water, plants and wildlife.

The 1949 camp had a staff of 16 instructors and administrators.

Steps Being Taken for County Health Dept.

Steps to add a health department to the other functions of Nevada County were taken at Nevada City this week when officials of the state health department met with representatives of organizations to discuss details. Costs of the program were not revealed.

At another meeting in the near future it is planned to name committees to take further steps in presenting the program to the board of supervisors.

Election Tuesday To Determine 12 Important Issues

Turn Out Depends Upon Public Interest On Four Measures

California voters will go to the polls on Tuesday, November 8, to decide upon 12 proposed changes in the state constitution. In the Truckee, Tahoe and Donner Summit area the following polls will be set up for the conduct of the election:

Truckee No. 1 at the grammar school; Truckee No. 2, fire house. In Tahoe City, the community center and for the Brockway precinct, Kings Beach school. In the Placer County area of Donner Summit, polling places will be located at Cisco Grove and Kiski Lodge while in the Nevada County area voters will cast their ballots at Soda Springs Hotel. The polls will be open from 7 a.m. until 7 p.m.

Little interest has been shown in the election in this area but a large "silent" vote may be turned out over the four controversial issues on the ballot, Propositions 1, 2, 3 and 12. The others are mainly technical by nature and are not apt to bring much opposition, except No. 11 which was faultily drawn and upon which a "No" vote is even urged by the authors. Propositions 4 through 10 deal with repeal of portions of the constitution which long ago became inoperative and the vote would merely remove them from the books.

Proposition 1 would pass a \$250,000,000 statewide bond issue so that loans could be provided "improved" school districts for improvement of their facilities. Proposition 2 would repeal the administrative setup of Article XXV, passed last November, with relation to aid for the needy aged and blind. The statutory amounts of benefits would not be changed. Proposition 3 proposes to raise the pay of state legislators from \$100 to \$300 per month and to make certain changes in legislative procedures. Proposition 12 is a hardy perennial on the California ballot which has been defeated several times before and would enact summer daylight saving time in the state.

Board Pledges Aid for County Juvenile Home

Following an all-day meeting of the Nevada County grand jury last Thursday, Foreman Curtis Clark said that the board of supervisors who had been called had agreed to cooperate in procuring a juvenile detention home for the county.

Aside from the testimony offered by the supervisors, Probation Officer Thomas Barrett and John E. Keegan, acting chairman for the county probation committee, were called to explain the needs for the institution.

The next session of the jury is tentatively slated for November 18th.

Recent Bride Feted At Shower Saturday

Mrs. William Spratt was feted with a miscellaneous bridal shower at the home of Mrs. Roy Waters on Saturday night, October 29. Twenty-seven friends of the recent bride attended and enjoyed an evening of bingo, followed by the opening of many lovely gifts. A dainty lunch served by the hostess with Mrs. William Waters as co-hostess brought the enjoyable evening to a close. The supper table was centered by a large white cake and the Hallowe'en motif was used to decorate the rooms.

CLAIRE FREER

REBEKAH CHIEF WILL VISIT HERE ON NOVEMBER 9

Claire Freer, president of the Rebekah Assembly of California, will make her official visit to the Naomi Rebekah Lodge No. 2 here November 9, accompanied by her staff of officers.

A dinner at Donner Lake Lodge will precede the regular meeting at 8 o'clock in the Odd Fellows Hall in Truckee. Invitations have been extended to the lodges in this area and Reno to welcome the visitors.

Noble Grand Lois Tackett will preside and a program has been arranged. Refreshments will be served by Winifred Kamp and her committee at the close of the meeting.

TEEN AGERS ARE CAUGHT AFTER LENGTHY CHASE

Three 14-year-old Sacramento boys, who admitted, officers said, to stealing a Ford sedan in Sacramento, were apprehended here yesterday morning after a 22-mile chase and several hours search.

The boys were seen by Special Deputies H. E. Brooks and Charles Swanson at Tahoe City at 2 a.m. yesterday. When the officers approached to question them, the car sped away. The two officers followed the car to Donner Summit and the boys left the car on the highway and fled on foot.

Swanson and Brooks called the highway patrol and Patrolmen William Gautsche and Roy Stallard responded. A search of the area near the summit was made and the officers returned to Truckee for breakfast. A bus driver told them he saw the three on the highway and they were returning to search when they stopped a freight truck and made inquiries of the driver.

It was revealed that the driver had picked up the boys and that they were in the truck. Sacramento officers were notified. One of the boys admitted being in trouble several times previously on car, boat and bicycle theft charges.

Sun Comics Give Truckee 'Football' Team Big Victory

It is not unusual for Truckee to break into the news nationally with either favorable or unfavorable comment—but it is worth mention when we make the comics and something a bit unusual even for Truckee.

In this week's Joe Jinks, a regular weekly feature in the Sierra Sun's family of comics, we find that a mythical Truckee football team is prominently mentioned by artist Henry Formhals.

Thanks, Henry, for the plug and for giving Truckee the victory.

DEER VIOLATIONS DRAW \$750 FINES IN LOCAL COURTS

Court cases which have been pending as the result of violations during the recent hunting season were cleared up this week with an additional \$750 in fines being collected here and at Sierraville.

Arthur J. Phillips, Fair Oaks, who was cited by William Curran of the Forest Service on September 16 for shooting a spike buck, paid a \$500 fine before Justice of the Peace R. N. Little this week. R. M. Schultze, Stockton, paid \$250 in the Justice Court of Alden Johnson at Sierraville for shooting a spotted fawn. He was cited September 19 by Game Warden Tom Borneman and other wardens.

Both men had pleaded not guilty to the charges but later, according to officers, decided to change their plea when they learned of the evidence against them.

Sun Beams

by Walter M. Barrett

Each year for the past 14 years we have editorialized on the fact that when people leave the Lake Tahoe area in September for the season they are missing the nicest and most beautiful part of the entire year. October and November at the Lake are really outstanding in beauty and atmosphere, leaving little to be desired in the way of peaceful recreation. With modern transportation facilities, even the winters are not too bad and it is not hard to predict that at some time in the future this region will blossom out as a year-around center of population and industry.

Despite the fact that the year is well advanced, the danger from fires in the forest is perhaps more pronounced and have a greater potential disaster than during the summer season. The grass and brush are tinder dry and a spark would set it off easily. With the usual heavy population of the region diminishing with the approach of winter, there are fewer fire fighters available and this fact might result in an uncontrollable conflagration even in November. Forest Service officials urge that continued care with fire be exercised.

The Truckee Parents and Teachers have outlined a promising program, including a dinner and carnival features, to be held at Capitol Hall Saturday night. Why not take the whole family and enjoy the evening and at the same time lend support to your PTA?

New Units Going Up In Gateway Park Area

Four new units are being constructed at the Gateway Motel by the owner R. Joseph. The four-room structures, purchased as government surplus in Nevada, are being completely rebuilt and modernized to harmonize with the other modern units at the motel. In addition to the new dwellings, foundation is being laid for a large business block just east of the motel.

All the work is being done under the direction of Jack Wolert, local contractor.

Hallowe'en Quiet Here, Rotary Club Credited

Hallowe'en in Truckee passed more or less uneventfully, local officers report. While there was considerable mischief, such as dumping over garbage and trash cans, scattering debris and removing signs and such pranks, there was only minor property damage, Constable N. F. Dolley said.

The reason for this, he said, was probably largely due to the number of Hallowe'en parties, including the one sponsored by the Rotary Club which provided entertainment for the youngsters Monday evening.

The highway patrol reports there were no wrecks or arrests during the usually active evening.

Legion Names Three To Run Basketball

Truckee Post 439, American Legion, met Tuesday night in the Veterans Memorial Hall with Commander Heslin Cardinal in charge. During the meeting the post named a committee to have complete charge of the organization's basketball program for the 1949-50 season. William Curran, Earl Stice and John Rau are the committeemen.

The meeting was held in the basement of the building since the regular meeting room was being repainted. Refreshments were served following the business session.

Police Light Is Signal In Saving Man's Life Here

Prisoner Suicide Attempt Foiled by Efforts Of Cellmate

The red police light which shines out when an officer is wanted saved the life of Henry Martinez, 49, San Francisco, this week after he attempted to take his own life in the Truckee jail, Constable N. F. Dolley and Deputy Sheriff Fosten Wilson reported.

Wilson had completed his night's duty Friday morning and was visiting at the depot when Mrs. Wilson called him at the jail. Wilson took the call and started home when he noticed the light, which should have been lit up when the jail phone rang, was not burning. He hurried to the jail to determine the cause and found Martinez in a weakened condition on the jail floor with a slash across his throat.

It developed that a fellow prisoner, Charles Ford of Wheatland, doing time for drunk driving, awoke and saw Martinez in a serious condition. He improvised a long stick by tying a mop and broom together and thrust it through the bars, knocking the telephone receiver off the hook. This kept the light from going on and warned Wilson something was amiss.

The wounded man was rushed to a Nevada City hospital via Truckee ambulance and will recover. Dr. L. D. Nelson rendered first aid.

PHANTOM TATUM TAKEN IN TEXAS BY F.B.I.; BROKE

The search for Jack Tatum, 26-year-old phantom fugitive from Phoenix, who was sought in this locality and various other parts of California since his daring escape two weeks ago, was captured Tuesday night in El Paso, Texas, by officers of the FBI.

Tatum, wanted in Minden, Nevada, in connection with the burglary of several Lake Tahoe homes, had lost 13 pounds and had just 20 cents in his pockets when he surrendered meekly to the officers. He was unarmed.

Jack and his brother, Frank, were arrested in Reno last August for the Tahoe burglaries. They escaped from the Douglas County jail and Frank was captured a short time later. Jack was arrested in Arizona and was the only one of five who got away in a hail of bullets during which two fellow prisoners were shot down.

The escape set off an extensive man hunt which covered the entire west. Numerous reports that he was seen in several localities, including Truckee, were branded as mistakes.

Tatum said that for four days after his escape he hid in an orange orchard near Phoenix, then hopped a freight train to Tucson and later took a bus to El Paso.

Sunday School Party At Anderson Home

Mrs. Elizabeth McKay's Sunday School class of the Community Church was given a party at the home of Mr. and Mrs. David Anderson on Monday afternoon. Hallowe'en games and decorations made the afternoon a gay one for the small participants. Jack were Terry and Kitty Ellis, Karen Smart, Donna and Ginger Barnes, Pamela and Dorette Rose, Shirley Patton, Patricia Scott, Winifred Andersson, Barry Leamon and Brian Phipps.

Baseball Reels Shown At Meeting of Lions

Baseball pictures, designed to illustrate the various positions and function of each player, were shown at the meeting of the Lions Club last night by Walter Loynd. Robert Gifford was program chairman and B. W. Reynolds presided.

Guests included George Buell of New York and C. J. Knowles of Donner Lake.

Hemple Slayer Is Sentenced After Trial In Nevada

Donnelly Will Get Life For Tahoe Murder, Jury Decides

It took a district court jury in Reno four hours and 45 minutes to find Mark J. Donnelly, 30, guilty of first degree murder in the death of Walter Hemple, 70, prominent Lake Tahoe realtor, who was found slain in his car near Kings Beach June 18.

The jury recommended that the defendant be imprisoned for life. According to the district attorney, a prisoner must serve at least seven years of a life sentence before he is eligible for parole.

A number of morbid details were brought out at the trial. It was revealed that Donnelly had dinner with Hemple at Cal-Neva Lodge, later accompanying him to see a lot a mile away which Donnelly proposed to purchase. The prosecution contended that Donnelly lured Hemple to a secluded spot, shot him through the head with a pistol, strangled him with a necktie and robbed him.

Later Donnelly is alleged to have told the story to a Reno hotel clerk who later informed the police. This led to Donnelly's arrest in Texas.

The \$1000 reward offered for the arrest and conviction of Hemple's murderer will be paid to Sergeant James Franklin of the Reno police, who spent his own time and money in the investigation.

MRS. BOB GIFFORD NAMED TO HEAD WOMEN'S GROUP

Mrs. Robert Gifford has been nominated as president of the Wyethia Club for the coming year and at the election to be held tomorrow evening at 8 o'clock the following nominees will be named: Mrs. Barney Phipps, vice president; Mrs. Floyd Calkins, secretary; Mrs. Loren Verneer, treasurer, and Mrs. E. L. Loynd, auditor. At the next meeting the new officers will be installed, the current president, Mrs. R. C. Gregory, reports.

Professor Paul Jensen of the University of Nevada is returning as the guest speaker at the meeting Friday evening. The theme of Professor Jensen's talk will be "Modern Turkey".

Three Turkish exchange students will also give brief talks on their country and a film of the subject will be shown. Mrs. Jensen and Tahsin Karacabay, Hiline Voskay and Ayfer Derbul will accompany Professor Jensen to the meeting. Tea hostesses for the evening will be Mesdames William Bottel, D. Kay, Sam Costa Jr. and Lester Braasch.

Van Sickle Wins First In Nevada Day Parade

The world champion racing dogs and their handler, Lloyd Van Sickle of Hill Top Lodge, last Monday captured first prize at the Nevada Admission Day parade at Carson City. Eleven dogs were hitched to a racing sled, mounted on wheels, while other Samoyedes were mounted atop the truck and others rode inside. Following the parade, Van Sickle drove the team while youngsters rode around the state capitol.

Pythian Sisters Initiate, Have Official Visitation

On October 27 the Pythian Sisters of Summit Temple 79 initiated the following candidates: Harriett Tackett, Dorothy Kennedy, Nell Radar and LaVerne Patterson. DDGC Laura Gaiennie made her official visit, the Temple celebrated the anniversary of the order and of the Temple and held its annual roll call. A gift was presented to the District Deputy.

Twelve members from Calanthe Temple, Reno, were guests at the affair, including several grand officers and a past supreme representative of Nevada. Refreshments were served at Sarge's at the close of the evening.

On October 28 the District Deputy made her official visit to Veritus Temple 47 in Colfax. She was accompanied by Bertha Tonini, Lilian Sites, Hazel Roberts, Pearl Heller, Alice Spratt, Ella and Viola Waters, Harriett Tackett, Ruby Todd, Dorothy Guymer and LaVerne Patterson.

All members wishing to visit Calanthe Temple in Reno on November 14 may telephone 149R by November 10.

Mr. and Mrs. Art Bishop and V. T. Garrett were recent visitors at Alta.

Ageless Acme Athletes Review Past Glory In Reunion At Tahoe

TAHOE CITY—A group of athletes from the last century but still going strong enjoyed an informal reunion and picnic at Tahoe Park last Thursday, October 27. Members of the disbanded Acme Athletic Club of Oakland, one-time rival of the Olympic Club of San Francisco, the five visitors were hosted by fellow member Ted Schlueter of Tahoe Park.

Oldest of the six, Harry Germain, was among the Pacific Coast champion pole-vaulters in the mid-eighties. Harry is 90. Henry Audiffred, 84, ran the 100 yard dash in record time; ran and won his last good race against younger men when 72. Jack Kitchen, 82, amateur heavyweight boxer and friend of Jim Corbett, quit boxing undefeated. Jimmie Shanley of Auburn, former wrestler, is 78. Youngest of the group is Roy Smith, one-time swimmer, who is 72. The host himself, Ted Schlueter, 76, specialized in long-distance, open-road bike racing, and at one time claimed the world record in the 10-mile race.

At the time of its disbanding 55 years ago the Acme Athletic Club boasted 800 members. Of the 90 remaining, 38 attended the latest reunion in Oakland.

ELECTRIC HEATERS

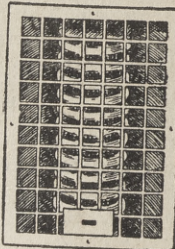

for bedrooms, dens, dressing rooms,
bathrooms or breakfast nooks

For difficult rooms to heat—for a lot of heat quickly—for changing the damp chill of a room to sunny warmth—there is nothing better or easier to install than a dependable built-in-the-wall Electric Heater.

Many homes use these quality electric heaters in rooms where children study or the family gathers to read or listen to the radio. They are a blessing too, for those times when the big furnace is not on and the small folk must be dressed in healthful comfort.

See about permanent, built-in electric heating for your home. Thousands say electric heat is one of the greatest home conveniences they ever bought.

Right now your electrical dealer or contractor has a limited supply of fine quality electric heaters on hand. Drop in and see them. You will certainly be doing yourself and family a good turn when you have an electric heater installed.

There are several types and sizes of electric heaters available now. Some have fans too, to throw out the heat.

Lake Tahoe Ski Club Defers Action As Quorum Is Absent

TAHOE CITY—The Lake Tahoe Ski Club met Friday night at the community center with Oliver Corona, first vice president, presiding. Several members short of a quorum, the club tabled important issues for the meeting next Friday. It was pointed out by some members that in the past interest in the ski sports and in the hills used was too often delayed until after the first good snows when improvement of the facilities becomes much more difficult. For this reason, members are urged to come to the next meeting, as well as any non-members interested in winter sports.

After the meeting, hot chocolate, coffee and pie were prepared and served by Mrs. Wesley Donaldson.

Mrs. Henry Prepares for Annual Seal Sale

TAHOE CITY—Mrs. Marie R. Heery, a director of the Placer County Tuberculosis and Health Association representing the Lake Tahoe area, went to Auburn on Tuesday for pre-ordered Christmas Seals. These seals will be distributed shortly to those on the mailing list. Those desiring more seals or who are not now on the mailing list are advised to contact Mrs. Henry as soon as possible.

Sheridan Downey Tosses Hat Into Ring For Third Term in Senate

SENATOR DOWNEY

Sheridan Downey, incumbent Democratic senator from California, announced Monday he would seek re-election to a third term in the United States Senate at the 1950 elections. In announcing his candidacy, Senator Downey said he is seeking re-election on the basis of his "service to the people of the State of California" and "an extended record of having worked for and supported liberal legislation."

Senator Downey was elected to the United States Senate in 1938 and was re-elected in 1944. He is the only Democratic Senator to be re-elected to office in the history of California. As a member of the Senate committee on Interior and Insular Affairs he has taken a prominent part in promoting the largest natural resource development program in the history of the country. As chairman of the sub-committee on Flood Control of the Public Works Committee he has vigorously worked for the development of an adequate flood control program in California. He is the ranking Democrat on the Public Works Committee.

"With the increasing importance of decisions made in Washington," said Senator Downey, "it is necessary that citizens of a great state 3000 miles away be served as efficiently as possible by their representatives. I have always tried to meet the multitude of requests which come to us. While the problems range from the small but important problems of a single citizen to the great problems of the commonwealth it has always been my desire to be of the maximum assistance. This service I will continue to render."

Representative Helen Gahagan Douglas has announced she will also seek the Democratic nomination for the post now held by Senator Downey.

North Tahoe

by T. BURROUGHS

With the passing of Harry F. Mason, aged 54, we suffered the loss of a fine neighbor and friend. Never was the snow too deep, the weather too foul for Harry to offer help in any moment of need. Never the task too great. Quiet always and decidedly reserved, yet ready with kindly deeds,

friendly greetings and helping hands. His good influence will long linger with us. No finer neighbor ever lived next door to any person than this quiet man who went serenely on his way with never a word of harm for anyone. It is little wonder that a world torn with struggle and strife so alien to this gentle soul could no longer hold it, free now to wing its way in space. May

peace be its resting place.

Harry Mason came to the lake to live three years ago. With his wife, Eva, he purchased half interest in Silver Sands Resort. The other half was then owned by his son and daughter-in-law, Harry Everett and Virginia Mason. This partnership Mason sold last May to life-long friends of the younger Masons, the Al Bettencourts of Gilroy. During the summer months the elder Masons had lived in the Hobbs summer cottage in Tahoe Vista. Only recently had they returned to Silver Sands where Mason was in the employ of Grant and Anderson in the construction of the Silver Sands new addition.

Recent guests in the home of Dr. and Mrs. Hilliard Holmes were Mrs. Holmes' brother-in-law and sister, Mr. and Mrs. E. L. Barnes of Salem, Oregon. Trips to Virginia City, around the Lake and to Reno were only a part of the entertainment during this glad week. Mr. and Mrs. Barnes were delightfully surprised to find our part of the country heavily wooded and beautiful beyond their wildest dreams. They had thought it to be as barren of trees as some of the prairie country they traveled across.

The children's Halloween party at the school house on Friday night was a gay time for the youngsters. And the grand opening of the Youth Center Monday night was the biggest and gayest party of the week. The Youth Center is sponsored by three organizations — Brockway Rotary, North Tahoe Women's Club and the Kings Beach PTA—all vitally interested in constructive activity for the youth of the community. I have yet to see a girl or a boy who does not want to be a Scout. Girls, you are about to have the opportunity. Next Saturday, Nov. 5, your Girl Scout troop leader, Mrs. Arney, or her assistant Audrey Welch, whom you know, will meet with you at the school house in the afternoon. There and then you may register to become a Girl Scout if you are between the ages of 10 and 17.

Your Girl Scout committee consists of Mesdames Rutledge, Peg Mandeville, Minnie Wagner, Marion Miller and Dorothy O'Brien. Charles Chubb, school principal, will serve for a while in an advisory capacity. Those of you who wish to become members of North Tahoe's first Girl Scout troop go to the school house or contact either Mrs. Arney or Audrey Welch.

Mrs. Frank Hale leaves this week for her winter home in Oakland.

Wee Kirk of the Pines Church School meets regularly at ten o'clock each Sunday morning at the Carpenter's Hall and is followed by Sunday Worship at 11. All are cordially invited to attend.

Another attractive electric sign has gone under cover for the winter—that belonging to Mr. and Mrs. C. A. Siple of Tahoe Vista. Have you seen those two "aluminum" houses erected for James Cottages? Mr. James says they are wonderful for winter. There is a good deal of heat and light reflectivity that makes for a quick end of loads or snow.

P. R. (Bob) Murray is doing all right but hates having to remain in bed most of the time with few visitors. Doctor's orders: Quiet and rest, no visitors. Bob thanks every one for calls and good wishes even if he can't visit with them.

The North Tahoe Women's Club had a big turn out last Thursday night week and plans were discussed for a Mock Wedding to be staged on the night of December 10. The cast was selected and will have its first practice this week. Keep the date free for this evening of hilarious entertainment. You ladies who are helping to bulge the sides of the bride's hope chest contact Kay Felte and tell her what article of value you have chosen to bring to the club's next meeting.

Irene Gallerani Weds B. Boucher in Iowa On Tuesday, Nov. 11th

KINGS BEACH—On Tuesday evening, October 11, Miss Irene Gallerani, daughter of Mr. and Mrs. Arnold Gallerani of Crystal Bay, became the bride of Birnie K. Boucher, son of Mrs. Paul Hoover and the late Birnie Boucher of Harlan, Iowa.

They were married in St. Paul's Episcopal Church with Rev. Hector W. Thompson performing the single ring ceremony. Relatives and friends of the couple witnessed the ceremony. Mrs. Hoover was matron of honor and Max Rosseaux was best man.

The bride wore a powder blue wool gabardine suit with black accessories. Her corsage was red roses. Mrs. Hoover wore a dusty pink gabardine suit with black accessories and a corsage of white carnations.

There was a reception at the home of Mr. and Mrs. Hoover for the bridal party and guests. Later in the evening the couple left for Sioux City, Iowa, where Boucher is attending Morningside College. The bride plans to enroll at the same school.

Boucher played baseball for Truckee early in the season.

Seed A Food Staple

Quinoa, normally growing three to four feet tall, has been cultivated to grow to six feet in some parts of the Andes. The family name, Chenopodium, means goosefoot, and describes the leaves of irregular triangle shape. Quinoa's leaves show many colors, and are edible as greens.

Bus Slightly Damaged When Passing Truck

TAHOE CITY—The Tahoe school bus, driven by Mrs. Stella Watson, suffered only minor damage last Thursday afternoon when it sideswiped a truck driven by Erving Hinds, near Tahoe City. The truck and a car had stopped while the drivers conversed across the highway. One of them motioned the bus to proceed between them but there was not sufficient clearance, the highway patrol was advised. The damage will not exceed \$35.

School Heads Hold Meet At Donner Summit

School administrators from seven northern California counties held a two day conclave at Donner Summit Lodge on Highway 40 last weekend.

Clifford Wiegell, head of Placer Union High School at Auburn and president of Section 7 of the California Association of Secondary School administrators, was in charge.

Counties represented at the meeting were Sacramento, Yolo, Placer, Nevada, El Dorado, Calaveras and Solano.

Thomas A. Edison
Thomas A. Edison was granted 1,097 U.S. patents in 60 years of "inspiration and perspiration." He contributed the phonograph, motion picture, fluoroscope, and numerous other major inventions.

My Place In the Sun

by DOUG BARRETT

A lot of California editors will be sitting in their ivory towers this week handing down their infinite wisdom and judgment to their readers on the 12 ballot propositions which will appear on ballot next Tuesday. Now the boss and I have opinions on these 12 propositions—or at least most of them. We got our ideas the same way you can get yours—by reading the little book that came with your sample ballot. Of the 12, eight apparently have only one side. Numbers 4 thru 10, if passed, will repeal an equal number of outmoded and inoperative portions of our state constitution. Number 11 had the same purpose but somebody fouled up in preparing it and even its own fathers urge a "No" vote or there'll be a mess in our state administrative setup. The other four are No. 1 for a \$250,000,000 state school bond to aid impoverished or improvident school districts to improve their facilities; No. 2 would repeal Article XXV of the constitution and substitute another system for administration of aged and blind aid; No. 3 would increase the pay of state legislators from \$100 to \$300 a month and No. 12 would impose summer daylight savings time in California. This is an important election and you're intelligent enough to study the issues and make up your own minds. Our only recommendation is that you do go to the polls and vote next Tuesday.

Most of us may be lulled by the beautiful weather but the division of highways has put up its orange snow highway markers and Cabona's window is featuring some classy White Stag ski togs—just a couple of signs of the inevitable....Three generations of Kamp women (Mrs. George D., Mrs. George F. and Miss Christine) sharing a treat at Loynd's fountain....Muriel Frey really out promoting for the PTA doing at Capitol Hall on Saturday eve....Hear Phil Jolly received a blue ribbon for a first place in the artists' show at the Nevada Admission Day celebration in Carson....Roy Waters and Frankie Titus keep the Army-Navy battle hot by a running daily debate....Ruth Stelzriede of Kings Beach is the pleasant looking blonde back of the Truckee Merc counter....A new red and white neon has added its radiance to Truckee's "little white way" in front of Art

Sears' Truckee Meat Market.... Mary Marquis is back at the Sierra Tavern after vagabonding all the way back to Bismark, N.D....and I hear Johnny and Alice Rau have taken off on a vacation in the same general direction....While our postmaster, Mrs. Elizabeth Bavier, got back on the job this week after her annual vacation....

Stanley Martin Is Leader Of Scout Fund Drive

Stanley Martin of Tahoe City is chairman of the Tahoe Area Council's annual Boy Scout appeal for funds in the Tahoe and Truckee areas, according to John A. Raffetto Jr. of Auburn, general chairman. The drive, which extends over the counties of Placer, Nevada and Sierra, has

as its goal the filling of a \$15,000 budget for the council, which supervises Boy Scout activity in the three counties.

Roving Correspondent In Chicago Sunday

TAHOE CITY— Mrs. Eleanor Swanson, who conducts a column under the name of "Swanee" in the Sierra Sun, writes she reach-

ed Chicago on Sunday after leaving Reno earlier last week by the streamlined train. She planned to leave that evening for Mt. Vernon, Ill., for an extended visit with the family of her daughter, Mrs. Charles Hall.

"I like it here," quoth Swanee, "but give me good old Lake Tahoe!"

Tahoe Lake PTA Names Heads of Committees, Hear O'Rourke Talk

TAHOE CITY— The Tahoe Lake Parents and Teachers Association held their first large meeting of the school year at Tahoe Lake School October 27. With Mrs. R. S. Clarke presiding, the 24 present actively laid the foundations for a busy year. Committee heads appointed were Mrs. J. V. Bartell, publicity; Mrs. Robert Campbell, magazine; Mrs. Roy Johnson, carnival; Mrs. Don Snyder, hospitality; Mrs. Stanley Martin, membership. Working with Mrs. Martin on membership in their respective communities are Mrs. B. R. Albers, of Tahoe Pines; Mrs. Jack Smith, Tahoe Cedars; Mrs. Steve Korich, Lake Forest, and Mrs. N. R. Mayfield, Tahoe City.

Naming November Needlework Month, Mrs. Johnson, carnival chairman, asked all members to bring some type of fancy-work to the next meeting, such work to be sold in the needlework booth at the carnival next spring. Small articles for the fish pond are acceptable at every meeting.

Mrs. Ray Fellows was elected first vice president. Mrs. M. Stuart continues as secretary.

Special speaker was Everett V. O'Rourke, superintendent of the Tahoe-Truckee Unified School District. He spoke on "Adult Education", stating that any type of instruction will be offered to adults in day or night classes if the enrollment numbers at least 20 with average daily attendance of 15 and if a teacher can be secured for the particular instruction. He also urged formation of a PTA council to unify the efforts of the several units of PTA now functioning in the district's schools.

Following group singing led by Ernest Douglas, music teacher, coffee, tea and assorted rolls were served.

Indian Summer Prevails In Lake Tahoe Area

TAHOE CITY— Lake Tahoe residents continue to enjoy an Indian Summer as indicated by the weather data compiled by Arthur Frodenberg, Tahoe City weather observer. Maximum temperatures since October 25 have daily exceeded 55 degrees. Minimum temperatures have not fallen below 22 degrees in the same period. Lake level is 6223.68 feet.

Road Builders Praised By Forest Officer For Fire Prevention

TAHOE CITY— C. S. (Butch) Beavers, USFS, speaking for the Forest Service in his capacity as fire control officer on the Lake area of Tahoe National Forest, last week praised the fire prevention work of the Frederickson Construction Company in general and Frank Kennedy of Lake Forest in particular. Beavers credits the 100 per cent compliance by the construction company with local and federal fire regulations and the efficient prevention work of Kennedy for the complete absence of fires and other damage during the Carnelian Bay-Tahoe City road improvement. Kennedy, who was fire prevention officer on the road construction work, has attended the Forest Service Fire Prevention Course.

About trash-burning, Beavers said daytime burning is now permitted and written permission for such burning in the Lake Tahoe area is no longer required. However, he warns, safety precautions must be remembered. Burning should not be done before 3 p.m. and should never be done when winds exceed safe limits. All fires must always be attended.

Beavers plans to leave the lake area for the winter this week.

Tahoe City Fire House Moved Across Street

TAHOE CITY— For those who wonder what happened to the Tahoe City fire house, the following is offered:

The house was moved in a two-day operation weekend before last from its old site to a new location on Robert Watson's property just across the street. The movers included A. M. (Red) Anderson, Norman Mayfield, Jack Anderson, Martin Spitsen, Vern Daniels, Bill Conger, John Burns, Judge C. W. Vernon, Al Martin, Joe Henry and his tow truck. Officers Tom Sheehan and Harry Johanson directed traffic in the operation.

Vacation in Capital—

Mr. and Mrs. Bill Christie of Tahoe City are spending a two weeks vacation in Sacramento, beginning Wednesday, Nov. 2.

Library Hours

Mrs. Glenn Jackson, librarian at Tahoe City, announces Wednesday library hours at 7 to 9 p.m. and not 7 to 10 p.m. as previously reported.

North Tahoe Nature Boy Is Jailed as Vagrant

KINGS BEACH— Robert J. B. Kendall, who undertook to sustain himself near Kings Beach through hunting operations with a bow and arrow is booked in the Placer County jail on a vagrancy charge.

Constable Dick Lavery took him to Auburn after sentence had been imposed in Kings Beach. Papers in his possession indicated he had been discharged

from the U.S. Army October 5 after ten months of service. According to the constable, Kendall had been living in the woods near Kings Beach for about three weeks.

Steelhead Fishing—

Returning from a weekend trip to Shasta County where the J. V. Bartells of Lake Tahoe visited relatives, Bartell reported Monday that a sideline steelhead fishing trip was quite successful.

Truckee Elementary SCHOOL NEWS

Grammar School Preparations For PTA Carnival

—by Jimmy Purcell
The PTA of Truckee is sponsoring a carnival for the people of Truckee on Nov. 5. The PTA is going to have games for children and adults.

The children of the seventh and eighth grades have made posters advertising the event.

The children of the Truckee Grammar School are going to bring toys and books for the fish pond which is a game that will be played by both adults and children.

Play Day at Kings Beach Friday Successful

—by Jimmy Lyon
The children from Tahoe City, Donner Summit, Truckee and

Kings Beach had a lot of fun and got well acquainted while playing games (at Kings Beach last Friday). Everybody was busy at something all day. Some of the Truckee Grammar School children placed in the events. Here are the events in which they placed:

Marilyn Shafer, 2nd in basketball throw; Alfred McGee, 2nd in football throw; Lois Grey, 1st in free throw; Donald Peterson, 2nd in free throw.

—by Mary Ann Tonini
and Roberta Peden

On October 28 the 5th, 6th, 7th and 8th grades from Truckee, Donner Trail, Tahoe Lake and Kings Beach went to Kings Beach for a wonderful Play Day. All day they had different games to

play. The supervisors were Mr. Welch and Mr. Kishbaugh from Truckee, Miss Bowman of Donner Trail, Mrs. Gallinger and Mr. Gilbert of Tahoe City, and Miss Hallenbeck and Mr. Chubb from Kings Beach. Mr. O'Rourke and Miss Gunter, our district superintendent and supervisor, were there too. We all hope there will be other successful Play Days.

Indoor games for Winter Provided for School

—by Joan Ward
Last month the children of the Truckee Grammar School were presented with games enough to keep them amused during the winter. The games were distributed throughout all eight grades. Some of the games contributed were table tennis, checkers and games to be played with darts. We would like to thank Mr. Englehart for contributing the games.

Instrumental Music Started At Truckee Elementary

—by Lois J. Grey
Instrumental music for the children of Truckee Elementary was started by Mr. Douglas of Tahoe City. He teaches any instrument a child wishes to learn. There is no charge for these lessons. They will be carried on throughout the school year.

He is also starting a Tonette Band for anyone who wishes to join. Most of the children taking lessons are from grades three through eight.

Improvements Are Made On School Playground

—by Duane Knight, Irene Goicoa, Alberta Cooper and Nancy Harper

There have been three improvements made on the Truckee Grammar School playground. One is the new fence which goes about half way around the school

and is six feet high. Another is the shuffleboard court and the third a volleyball court which was built in back of the school.

The boys of the 7th and 8th grades who made the two court are Alfred McGee, Eugene Carrillo, David Peterson, Raymond Dixon, Ernest Towler Jr., and Felipe Valdez and Duane Knight.

There has been a trash can provided so the children may put their trash in it and keep the playground clean.

PROPOSITION 2 will maintain the \$10 cost-of-living increase the voters granted the needy aged and blind last year. By repealing the "fine-print" provisions of the notorious McLain Scheme, it will reduce the staggering cost of pension administration!

WHO PAYS FOR THE SUPER-COSTLY
McLAIN SCHEME? YOU PAY!

Already, the sales tax—the tax that bears heaviest on the working man—has increased 20 per cent! Yet there still isn't enough money in the State Treasury to pay for school needs and other State services!

To continue to finance the McLain Scheme, new sources of tax revenue would have to be tapped. One likely source is a new property tax on every homeowner in the State!

There is no need for this back-breaking tax waste! California can afford an adequate program for schools and other services and a generous pension program, too—if soundly administered!

BIG JUMP SEEN IN VISITORS TO DONNER PARK

SACRAMENTO —(W. N. S.)—Visitors to Donner Monument near Truckee jumped from 74,907 in 1948 to an estimated 115,821 this year, according to figures developed by the state division of beaches and parks.

Attendance at D. L. Bliss State Park on Lake Tahoe, increased from 39,591 to an estimated 54,293 while attendance at Tahoe Camp Ground decreased from 25,900 last year to 23,452 this year.

The figures were developed by the division in connection with its request for over \$2,500,000 increase in its 1950-51 budget, with the major portion of the increase asked for capital outlay to acquire more beach property.

According to figures to the state state department of finance by A. E. Henning, chief of the state division of beaches and parks, a total of \$2,165,000 is asked for support of the division; \$1,836,000 for construction and improvements in existing beaches and parks; \$150,000 for acquisition of state parks, and \$249,000 for acquisition of state beaches, for a total of \$6,641,000.

The total budget asked by the division from the legislature last year was \$4,034,536.

4-Lane "40" Advocate To Go To Washington

F. H. Benhard of Colfax, public relations manager of the Nevada U. S. Highway 40 Association, will leave for Washington on November 13 to call on officials of the Public Roads Administration and of the Defense Department endeavoring to bring about early construction of a four-lane highway over the Sierra Nevada mountains on Highway 40.

It is Benhard's contention that the excellent construction of the two-lane Highway 40 over Donner Pass attracts such enormous traffic, including about 87 per cent of the heavy trucking business into California from the east, that the present highway is taxed beyond commercial capacity and is wholly inadequate in the event of a national emergency.

Window Is Smashed To Rob CAA Vehicle

WELL, CAROL, I SEE BY TH' PAPER YOUR SCHOOL'S PLAYIN' CORONA A GAME OF FOOTBALL THIS AFTERNOON! ARE YOU GOIN'?

I WOULDN'T MISS IT FOR THE WORLD!

I JUST LOVE FOOTBALL! IT'S SUCH A MASCULINE GAME!

I MIGHT TAKE IN TH' GAME MYSELF IF YOU THINK IT'LL BE GOOD!

WHAT'S TH' VARSITY LIKE THIS YEAR, CAROL? WHAT KIND OF PLAYERS ARE ON YOUR SCHOOL TEAM?

WE HAVE A MARVELOUS TEAM! TH' MOST WONDERFUL BUNCH OF FOOTBALL PLAYERS YOU'VE EVER SEEN!

NO FOOLIN'? SOME REAL MATERIAL, EH?

I'LL SAY! THERE'S JERRY THE END -- HE HAS THE NICEST CURLY RED HAIR! AND TOMMY THE HALFBACK IS THE SLICKEST DANCER! AND JIM ---

THE CENTER HAS THE SNAZIEST YELLOW CONVERTIBLE! AND LARRY, THE FULLBACK, IS A REGULAR FASHIONPLATE! WHAT A DRESSER THAT BOY IS!

HEY, WAIT A MINUTE! WHAT I WANT T' KNOW IS CAN THEY PLAY FOOTBALL?

OH, CERTAINLY! THEY'RE VERY FINE FOOTBALL PLAYERS! WHY, PATTERSON ONLY BEAT US, 45 TO 0, AND VICTORVILLE ONLY BEAT US, 27 TO 0!

--- AND DURANGO ONLY BEAT US, 20 TO 0! BUT WHEN WE PLAYED TRUCKEE -- AH, THERE WAS THE GAME ---

YES ---?

OUR BOYS REALLY PLAYED A MARVELOUS GAME THAT DAY! TRUCKEE WAS AWFULLY LUCKY TO WIN, 18 TO 2!!
